Navigate to the “Client Add-ins/Programs” section of the tools menu in infoRouter

The screenshot displays the 'infoRouter Demo Portal' interface. At the top, there is a search bar and navigation tabs including 'Home', 'Document Library', 'Categories', 'Search', 'System Administrator', 'My Tasks', 'Control Panel', 'Help', 'Logout', and 'My Profile'. The main content area is divided into three sections: a left-hand 'Document Libraries' tree, a central file list, and a right-hand 'Tools' menu. The 'Accounting' folder is selected in the file list, and the 'Tools' menu is open, showing options like 'Folder properties', 'Folder security', 'Workflow definitions', 'Send to', 'Send to workflow', 'Create task', 'Import', and 'Export'. The 'Client Add-ins / Programs' option is highlighted in yellow, with a red arrow pointing to it from below. A tooltip box next to it contains the text 'Click here to manage infoRouter add-ins'. The bottom status bar shows 'Done', a progress indicator, 'Internet | Protected Mode: On', and a zoom level of 100%.

Click on the ScanStation.Setup.msi link

The screenshot shows the 'infoRouter Demo Portal' interface. At the top, there is a search bar and navigation links: Home, Document Library, Categories, Search, System Administrator, My Tasks, Control Panel, Help, Logout, and My Profile. The main content area is titled 'Client Add-ins / Programs' and contains a table with the following columns: Client Program Name, Add-in Description, Add-in Version, and Add-in DLL version.

Client Program Name	Add-in Description	Add-in Version	Add-in DLL version
OFFICEADDIN2010	InfoRouter MS Office Add-in 2010	3.0.12.0	10
Addin.pdf OFFICEADDIN2010.SETUP.MSI MicrosoftOfficeAddInSetup.pdf MS Word Addin.pdf OfficeAddinSetupUsingGroupPolicy.pdf OfficeAddinSetupUsingGroupPolicy.pdf			
SCANSTATION	infoRouter Scan Station	8.2.1.4	
SCANSTATION.SETUP.MSI ScanStation.pdf			

A red box highlights the 'SCANSTATION' row, and a red arrow points from the top of the box to the 'SCANSTATION.SETUP.MSI' link.

At the bottom of the browser window, the address bar shows 'Internet | Protected Mode: On' and the zoom level is set to 100%.

Click on the “Run” button to start the installation

The screenshot shows the 'infoRouter Demo Portal' interface. At the top, there is a search bar and navigation links: Home, Document Library, Categories, Search, System Administrator, My Tasks, Control Panel, Help, Logout, and My Profile. The main content area is titled 'Client Add-ins / Programs' and contains a table with the following columns: Client Program Name, Add-in Description, Add-in Version, and Add-in DLL version.

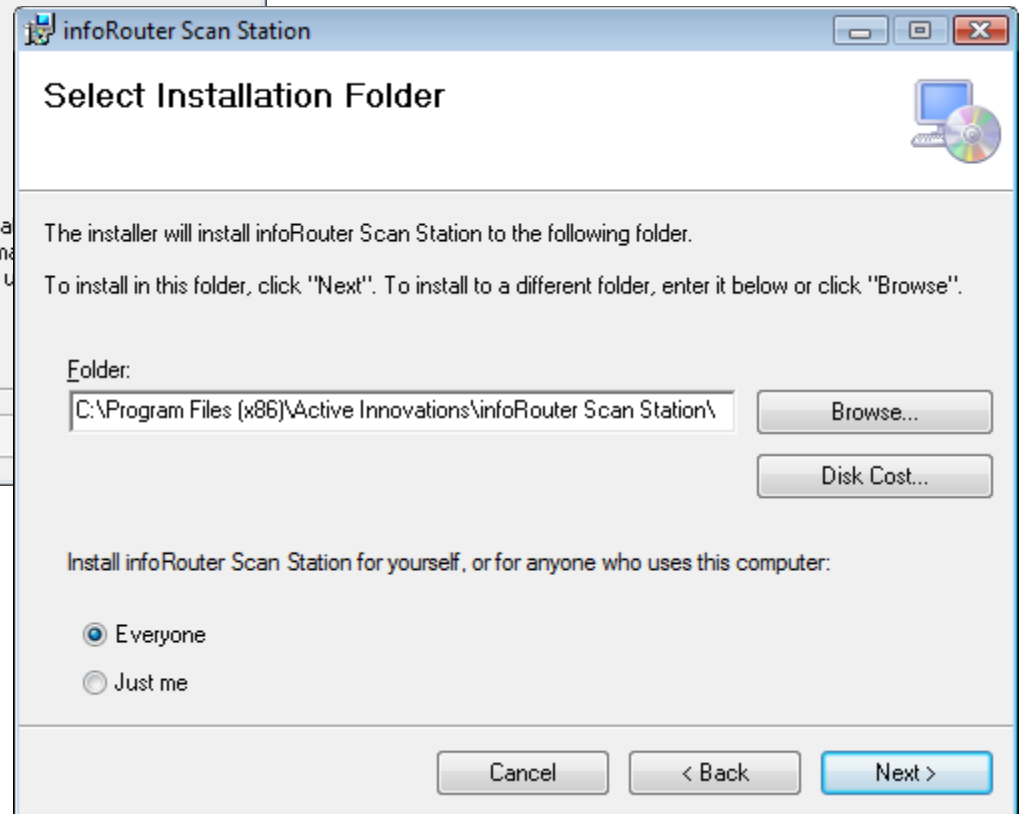

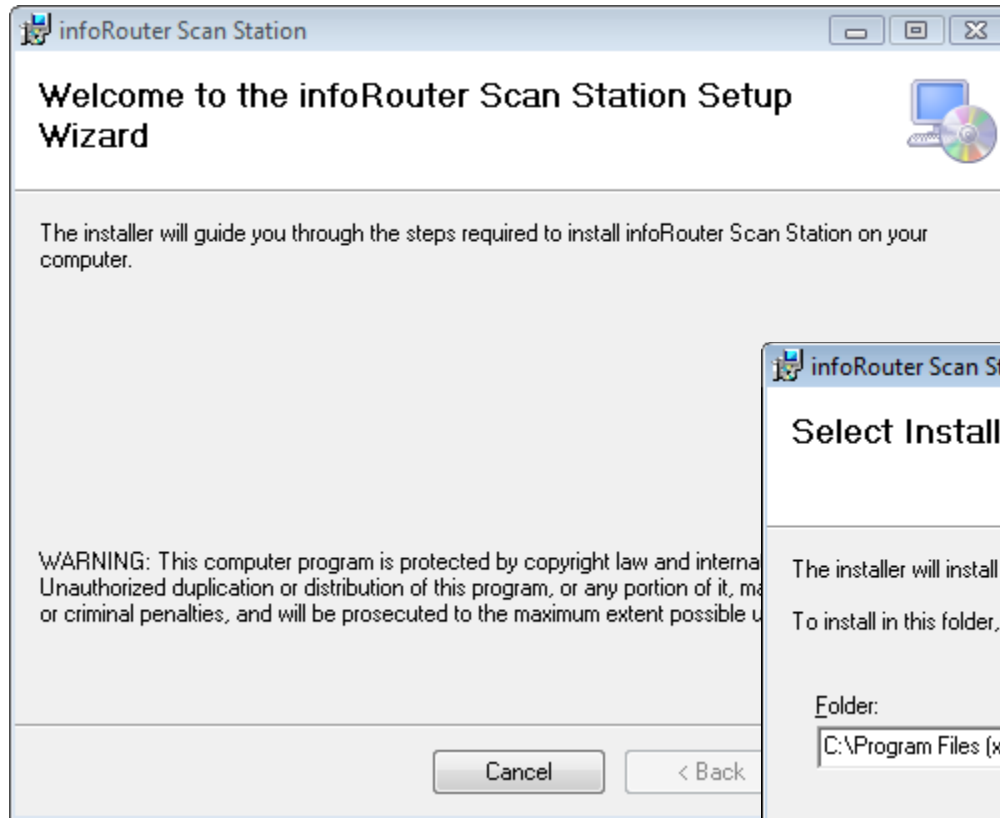

Client Program Name	Add-in Description	Add-in Version	Add-in DLL version
OFFICEADDIN2010	InfoRouter MS Office Add-in 2010	3.0.12.0	10
SCANSTATION		8.2.1.4	

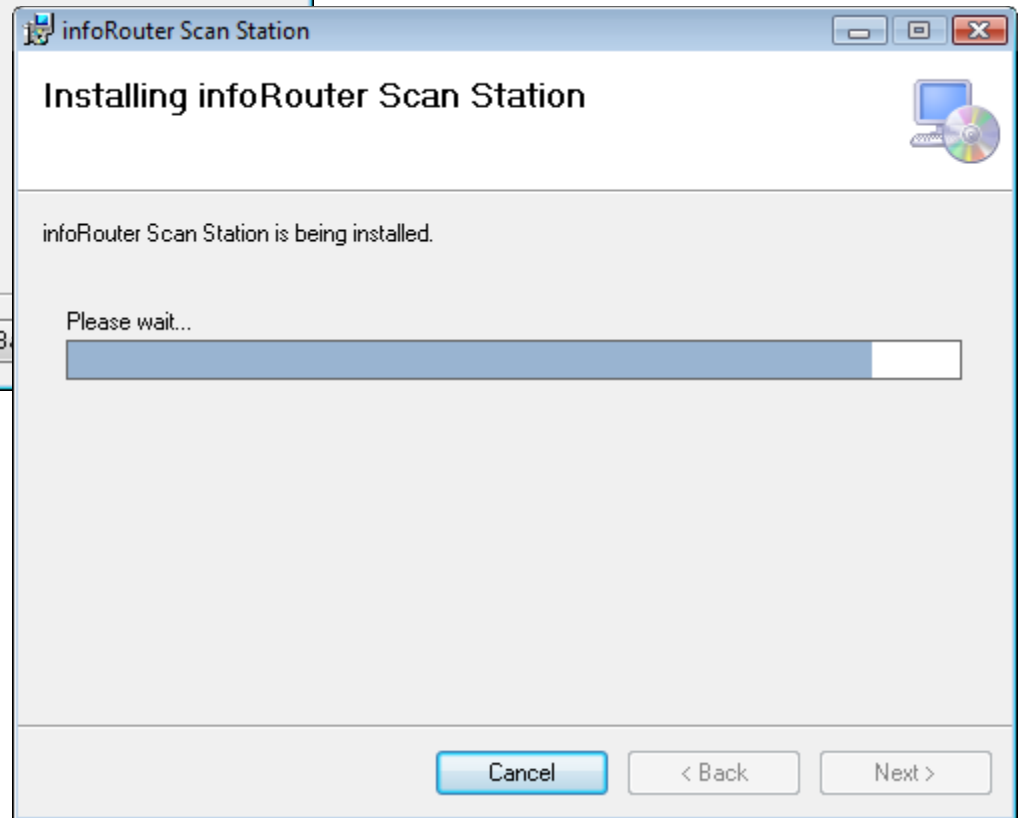

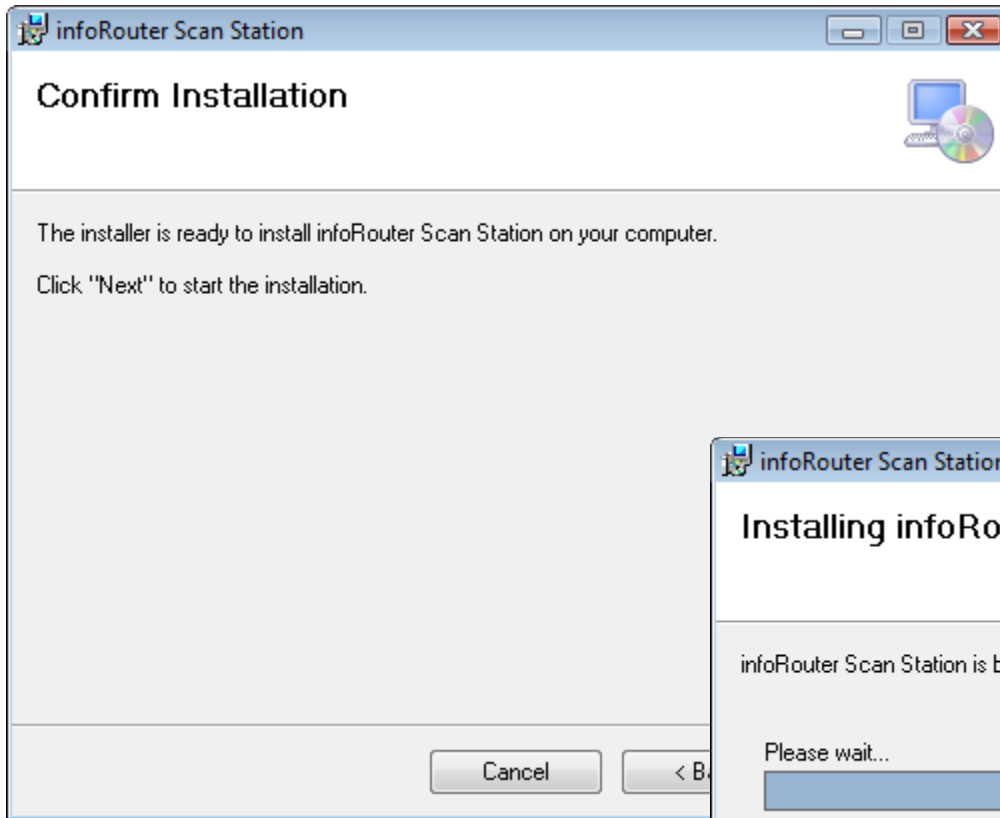

Overlaid on the table are two dialog boxes. The first is a progress indicator for 'clientprograms.aspx' from 192.168.1.200, showing '0% Completed'. The second is a 'File Download - Security Warning' dialog box for 'scanstation.setup.msi'. The dialog box contains the following information:

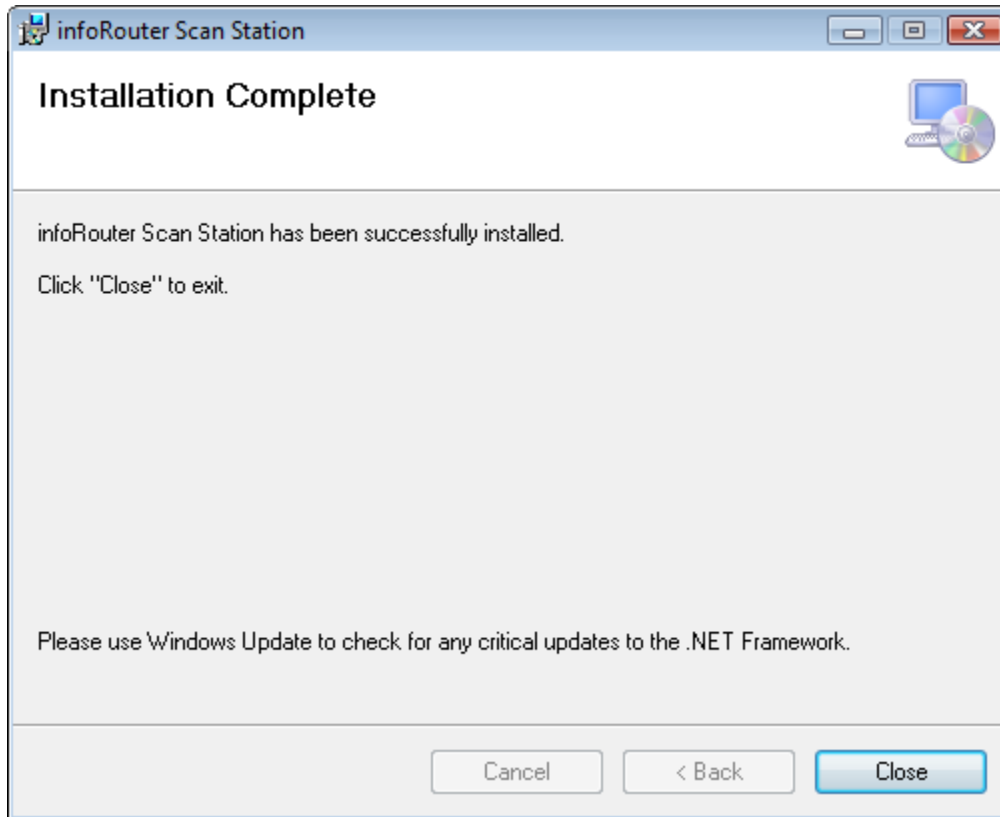

- Do you want to run or save this file?**
- Name: scanstation.setup.msi
- Type: Windows Installer Package, 1.99MB
- From: 192.168.1.200

At the bottom of the dialog box, there are three buttons: 'Run', 'Save', and 'Cancel'. A red arrow points from the text 'Click on the “Run” button to start the installation' to the 'Run' button. Below the buttons, a warning message states: 'While files from the Internet can be useful, this file type can potentially harm your computer. If you do not trust the source, do not run or save this software. [What's the risk?](#)'

Follow the on-screen instructions

Scan Station is now installed on your workstation. Simply click on the Start menu and navigate to the “infoRouter” menu and select “Scan Station” to launch the program.
